### Apartment Living

## Be a Polite Pet Owner

If you're a pet owner, you probably consider Fluffy or Fido to be an important member of your family. Pets bring joy to our lives, but they also bring additional responsibility. Here are 3 tips to help make sure you, and your pet, are good neighbors.

- 1) When you take your dog for a stroll, always bring along a few pet waste bags to clean up after him.
- 2) Keep your pet on a leash when outdoors. If you pass a neighbor, make sure to give him or her plenty of space to pass by.
- 3) All dogs bark, but if yours barks constantly, it can get annoying for your neighbors. If you receive complaints from your neighbors, don't get defensive. Instead, research what you can do to curb the barking, such as investing in doggie daycare or playing music in your apartment so Fido isn't so conscious of every move your neighbor makes.

### Chef Randy's Snack of the Month

## Roasted Pumpkin Seeds

Scoop out the seeds of a pumpkin. Discard the stringy fibers and rinse the seeds well. Bring a medium pot of water to a boil. Add the seeds, reduce heat and boil gently for 10 minutes. Drain seeds well and pat dry. Place seeds in a bowl and toss with oil. Spread seeds in a single layer on a baking dish. Roast seeds at 250 degrees, stirring every 10 minutes, until just crisp and golden brown, for about one hour. Cool completely and enjoy!

FUN TIP: The largest pumpkin ever grown weighed 1,140 pounds!
